

***Boulder Junction Public Library
Children's Summer Reading Program
"A Universe of Stories!"
Wednesdays 10:30-11:30 am***

JUNE 19th – *A Universe of Stories!* An exciting start to our summer program at the library. A detailed introduction to our theme will also be given at this time.

JUNE 26th – Take me to your Reader. Create your own team costumes and play a variation of Quidditch games.

JULY 3th – *Special Presenter-* Colossal Fossils presents Mammoth Hunters! Come enjoy a presentation by Sean Sullivan, experimental archeologist and unique storyteller.

JULY 10th – Shoot for the Moon. Design and create space themed paper airplanes and candy constellations.

JULY 17th – Trekking Across the Universe. Explore the technology and science of the universe including the careers and heroes of space.

JULY 24h - *Special Presenter* – Tracy Chipman, renown storyteller. Come enjoy her program "Under a starry sky".

JULY 31st - *Special Presenter* - Licia Johnson from the Discovery Center! We will investigate a universe of local animals.

AUGUST 7th - *Celebrate!* Don't miss this celebration of reading accomplishment! End of the year prizes will be drawn, and everyone will go home with a book to keep.
